Cost - \$0

F. Progressive Euchre Tournament - 8:00pm

Please arrive about 7:50 so we ready to start playing euchre at 8:00pm

Awards from 10:45 to 11:00pm

Cost - \$10.00 per person. Quarters needed in case you are euchred.

Pay outs will be based on the number of participants.

Registration required.

Rules:

1. After every round, the partnership will change. By alternating partners, this format provides an opportunity to make new friends or reunite with old pals. Teams play a total of 8 hands per round (game).
2. Players will be assigned a starting position when they arrive.
3. Each player will be responsible for keeping their own score. A score sheet will be given to each player.
4. The first dealer is determined by dealing the cards one at a time and face up until someone receives a jack. That player is the dealer and starts the game. At the end of each game, points are marked on the score sheet.
5. After the first deal, the deal is passed to the person on the left. Each person deals twice for a total of 8 hands. We will play Stick the Dealer, so the dealer has to say what is trump if everyone passes after the second round of determining trump.
6. The team that has the highest number of points at the end of eight hands will move up one table (i.e., From Table 1 to Table 2). The losing team stays at the same table, but one player will move over to the next seat. Thus, no one will have the same partner during the second game. If two players have played together in a prior round, they should not play together a second time.
7. Each player keeps his own score. At the end of the tournament, all scores are totaled up. The player with the most points wins. Payout will go to the top four scores.
8. When a team is euchred, each member will pay a quarter. At the end of the tournament, the money will be given to the person with the most loaners.

9. If we don't have players to fill tables in multiples of 4, we will have players sit out some games. If a player must sit out, they will receive 7 points for that game (deal 8 times). We will assign sit outs from the highest number table and will place a card at the places that players will sit out. When a player re-enters the game, they will re-enter at Table 1.
10. During play, the only question you can ask is what trump is.

SUNDAY, JULY 23

G. Painting on Wood with Brush Crazy - 2:00-5:00pm

Brush Crazy will be offering a painting program at the County Fair on Sunday, July 23 from 2-5 PM. Helpers would need to arrive in the Edwards Building 15 minutes before projects are accepted and you would stay until judging is completed.
