Market Swine Exhibitor Rules and Guidelines:

Market Ready Animals will go through a Terminal Sale.

All Market ready livestock must go through a TERMINAL SALE. Terminal sale means all animals must go to slaughter or directly to a licensed livestock facility for slaughter only. You CANNOT withdraw your animal from the sale and the buyer cannot take the live animal home. Market ready animals are Market Steer / Heifer, Market Swine, Market Lamb, Market Goat, Market Poultry (Broilers, Roasters, Ducks, Geese & Turkey) and Market Rabbits. Beef Feeders and Dairy Beef Feeders are not market ready animals and will not follow the above guidelines.

1. Animal Requirements for Individual Market Hogs:

1. Market Hogs must be in the possession and under ownership of the exhibitor by May 1.
 2. A Market Livestock Project Identification Form must be completed and on file with the Junior Fair Board by May 11, for all Market Hogs.
 3. Market hogs cannot have shown in breeding classes.
 4. No boars allowed.
 5. All market hogs must meet a minimum weight of 220 lbs. and no more than a maximum weight of 300 lbs.
 6. All market barrows must be properly castrated. Improperly castrated market hogs will be sent home.
 7. Market hogs will be weighed as normal, instead of dividing by preset weight classes, the hogs will be grouped into equal classes by weight and there will be 12-16 hogs per class. The classes will be posted after weigh-in.
2. **Prohibited Grooming Practices:** Swine exhibitors may not slick clip or body shave market hogs except on the ears, tail, and underline. If fair officials question whether a market hog has been slick clip, body shaved, or by any other means, a measurement of body hair length will be taken by fair officials. The body hair length would need to be at least 1/2 inch length or the market hog in

question would be disqualified from showing and selling at the current year's fair. If an exhibitor questions whether a market hog has been slick clip or body shaved, a \$100 protest would need to be filed before fair officials would import actions to this rule.

3. **Official Weigh-In:** Market Swine shall be weighed once. This is the official weight for the fair. There will be one weigh master at the weigh-in and his/her decision is final. Reference the Jr. Fair Livestock Sale Committee rules and guidelines for additional details.
4. **Weight Limits:** Market hogs must meet the weight limits set by the Junior Fair Board to be eligible to show and/or sell.
5. **Sale Requirements:** All Market Swine will be sold through the Junior Fair Livestock Sale on the last Saturday of the fair. Reference Jr. Fair Livestock Sale Committee rules and regulations for additional information.
6. **Sale Pictures:** The Sale committee will take an individual sale picture on show day. It is the responsibility of the exhibitor to make sure they get their picture taken that day. Pictures will be used for the buyer's plaque and to be displaced on the overhead screens during the livestock sale.
